Adult: 1

Youth: 1

2019 Conclave Goals: 20

**Toloma**

Adult: 2

Youth: 4

2019 Conclave Goals: 40

2018 Conclave Wrap Up:

**A.I.A.** – Saklan was the only lodge attending the pow – wow, conflicting schedule, only Saklan has a dance team, wants to do more outreach

**Auctions** – Most people attended the auction, went too long, could make more money if they changed the time, gift baskets did not work well, limit the number of purchases on certain items

**Competitions** – Don't do competitions during lunch, time crunch for the competitions,

**Registration** – carpool to conclave did not get much support, simplify the questions on for registration

**Site** – putting all of the competitions in one area did not work out well, keep the signage organized, the map worked well, work with CVCs more

**Shows** – karaoke did not happen since the equipment showed up late, technical difficulties occurred during the show, rehearse the show beforehand, need a setup and clean up crew,

**Special events** – banquet/breakfast at the same time worked well, midway happened at the same time as competitions,

**Trading post** – Well organized, better branding, vests?, year round trading post,

**Training** – Double check with your trainers, be very clear with your trainers, stay on topic with conversations, topic was too limited for an hour of discussion, make sure people attend certain discussions

**Medical** – no major injuries, only a few band-aids, good to have a defined area for medical

### Host Lodge Report
