This program encourages Lodges to strive for the objectives listed below during the calendar year. At Conclave (the following April), any Lodge that has met the following requirements, throughout the year, will be distinguished with an award that they may display in their council office. The Lodge must qualify for the Secretary level before then can earn the Vice-Chief level, and the same goes for the Chief level. The highest level your Lodge qualifies for is the points that you will receive for that item. Applications will be due at the March COC. These applications will require accurate numbers, which are under the "Lodge Numbers" column. The signatures at the bottom of the application verify that the information provided on the application is accurate and reliable.
